INSTRUCTIONS:

Please include the following sections and content:

Title of Project

Name(s), title and department(s) of instructor(s) involved in the project

Body: 675 words max. (including references)

Please divide your research summary into five sections:

- Questions that were investigated (taken from your proposal)
 - Context (e.g. course/program)
 - Summary of findings organized by questions that were investigated
 - Next steps (e.g., how you will apply findings to your teaching)
 - References
